ACET — Asia Conference on Electronic Technology

2024 — Singapore — March 8-10, 2024

http://acet.net/

ACET 2024 encourages academics and scholars to meet and exchange ideas and views in an international forum stimulating respectful dialogue. This event will afford an exceptional opportunity for renewing old acquaintances, making new contacts, networking, and facilitating partnerships across national and disciplinary borders, especially for experts in Asia area. We strongly believe that ACET 2024 will offer a remarkable opportunity for the sharing of research and best practice and for the meeting of people and ideas.

We look forward to seeing you in Singapore and online!
